## 'TIS TIME TO PART

On September 5th in '36  
 With courage and will anew,  
 We started our best and happiest years  
 A vision to conquer, in view.  
 Throughout these years our friendships thrived  
 With old school friends and new,  
 Who also helped in many ways  
 Our numerous tasks to do.  
 From each and every teacher here,  
 Who also helped in many ways  
 To help us in our high school days,  
 It grieves us much to part.  
 Now that we have conquered all  
 An our goal is reached on time,  
 We look forward to the beckoning years  
 With the classmates of '39.

ELIZABETH M. ABBE

## CLASS NIGHT

Tune of "Let Me Call You Sweetheart"

### I.

Ellsworth High we're sorry  
We must say adieu,  
It will cause much sorrow  
To Say goodbye to you;  
But we'll be back tomorrow  
To enjoy old times anew,  
Ellsworth High we're sorry  
We must say adieu.

### II.

Though our eyes be weary  
Our hearts are true,  
We will never tarry  
Though the way is blue.  
We'll remember Ellsworth  
And its teachers too,  
Ellsworth High we're sorry  
We must say adieu.

### III.

If our steps should falter  
And our hearts be blue  
If our eyes should water,  
With sad tears for you;  
Tho' our minds grow weary  
We'll remember you  
Parting is such sorrow  
We'll just say adieu.

GERALDINE McHUGH 39'

## GRADUATION

Tune of "Auld Lang Syne"

### I.

Shall all our classmates be forgot  
The day that we must part?  
Shall all our memories stay with us  
Right from the very start?

Chorus:

Our years at Ellsworth we enjoyed  
And all the work we've done,  
And happiness we all have shared  
And had the best of fun.

### II.

Three years at Ellsworth we have toiled  
'Twas from our sophomore year,  
Through happy Juniors, Seniors now  
We must leave Ellsworth dear.

### III.

And now that we all have to part  
With friends and classmates too,  
We'll all be faithful to our school  
And to our classmates too.

FRANCES ZINKER 39'

## HISTORY OF THE CLASS OF '39

In September 1935, two groups of freshmen began to get their first start on high school life, one in Rockville, and one in Manchester. They were awed by the dignified upper classmen and the strange large buildings. It seemed as if they would never learn how to be in the right place at the right time. This first year held many incidents long to be remembered by them. When these timid freshmen entered high school, they had little idea that the next year their groups would be broken up with some of them being joined together into the first Sophomore class of the new school, later to be named Ellsworth Memorial High School.

Our second year, after having made new friends, we acknowledged our identity as a part of the school by electing our class officers: President, John Jorgensen; Vice President, Joseph Tracy; Secretary, Wanda Wezowic; and Treasurer, David Pease. Our first activity was our Sophomore-Freshmen party, given to help the freshmen get acquainted with us. We ended our second year with a gay picnic held at Babb's Beach.

Our Junior year was started with the election of new officers: President, Joseph Tracy; Vice President, Victor Daley; Secretary, Margaret Boucher; and Treasurer, Gordon Thornton.

The Dramatic Club claimed some of our class members in its two plays. Geraldine Maloney, Rosalie Revay, and Joseph Tracy took part in the dramatic production, "Remote Control."

In basketball, Joseph Tracy and Aime Blais of the boys and, Frances Kraucunas, Regina Blozie, and Frances Sedaras of the girls began to shine and build up their abilities for the next year.

Our soccer team claimed Joseph Tracy, Aime Blais, John Coyne, Paul Barry, John Jorgensen, Victor Daley, and Thomas Hickey.

Many of the members of our Junior class helped the Seniors with their Minstrel Show. We had David Murphy, John Jorgensen, and John Coyne acting as endmen.

Our Junior year was topped with the Junior Prom, one of the greatest events of our school years.

Now September 1938 rolled around, and we started marching down the last stretch of the road to graduation. We had now reached the long desired goal; we were seniors. With a feeling of pride and determination for success, we elected our class officers: President, Edgar Woolam; Vice-President, John Coyne; Secretary, Paul Barry; and Treasurer, David Murphy.

The Hi-Y, the Dramatic, and the S.C.H.E. Clubs and the school Paper staff began work on events of the coming year. The S.C.H.E. Club gave the sports season a lively start with its annual Sports Dance. This dance proved a great success and one of which the S.C.H.E. Club can well be proud. The Dramatic Club presented "Come Out of the Kitchen" with Florence Maher and Jarvis Brown displaying their talents as Seniors. The successful effect of this play is due partly to the devoted work of the costumes and staging committees, with Geraldine Maloney, Barbara Cooper, Isabel

MacIntosh, Rosalie Revay, and Wanda Wezowic on the costumes and scenery committees, and Francis Potwine and Herbert Hall heading the staging..

With Mid-Year Exams off our minds, we turned our attention to the Minstrel Show, to help us with our Washington trip.

Our basketball teams were outstanding this year, and the school swelled with pride when the boys' team came through to win the State Class C-D tournament basketball championship, after a very successful year. We hope Mr. Greer, our coach, will lead many more teams to the standing he did our team this year. The cheerleaders, of whom Dorothy Ludlam was one, helped our teams on to victory with their well-organized cheer-leading. The season closed with a banquet given in honor of the boy's and girls' basketball teams.

Soon we found the first week in May flying at us and bringing to us one of the most outstanding events of our years at high school: our trip to Washington. As we look back on our high school days in years to come, the joys of that trip will stand out most clearly in our memories. It is our hope that each under-classman will be able to make this trip at the end of his four years and enjoy it as much as we did after four years of dreaming and patient planning.

What would our class history be without mentioning our outstanding men and women in the fields of sports and other activities. Winning honors in soccer, we have: Joseph Tracy, John Coyne, Aime Blais, John Jorgensen, Paul Barry, Victor Daley, Thomas Hickey, Jarvis Brown, and Glenn MacBeth.

In basketball we have: Joseph Tracy, John Jorgensen, Aime Blais, John Coyne, Victor Daley and manager, Ermond Pola standing out among the boys, and Dorothy Ludlam, Francis Kraucunas, Regina Blozie and Frances Sedaras among the girls. On our track team we have: Aime Blais, John Jorgensen, John Coyne, Victor Daley, and Jarvis Brown.

In other leading social activities we Seniors are represented in the Student Council with President, Joseph Tracy; Vice President, Aime Blais; and Secretary, Paul Barry. Leading in the Athletic Association are: Joseph Tracy, President; John Coyne, Vice President; Dorothy Ludlam, Secretary and Treasurer.

Barbara Cooper is honored by being Valedictorian and Henry Wells, Salutatorian of our class.

Now we find June coming speedily toward us and we begin to realize that our reign as seniors at high school will soon draw to an end. Our long looked forward to graduation will bring with the feeling of success, many sad farewells, and mean the parting of many old friends. As we march forward on the long road to success in future years, we will look back and realize that many of our accomplishments are the result of the sincere efforts and cooperation of our faculty and classmates in the good old days at Ellsworth Memorial High School.

Through the coaching of Mr. Greer and brilliant playing our boys came home with the Championship of the C-D Class. We are especially proud because three boys, Tracy, Peterson, and Muzykiewz made the all-star team.

We sincerely hope the team will do as well next year and wish them the best of luck. This season the team won 17 games and were defeated only once. In the tournament the boys won all 4 games they played capturing the C-D Championship.
